

Coding Tools

CODES ON DISK Simplify Code Setup and Management

Save time and reduce corrections for coding errors with Codes On Disk, a powerful tool that automatically loads CPT-4, IDC-9 and HCPCS codes into your Medisoft practice management system.

Codes can be customized with standard cost, standard charge and type of service and you can manage your codes from a single, easy to use screen and you can globally change prices to all procedure codes.

Code	Select	Description	Tot Amount	Cost	Approved
A0021	<input checked="" type="checkbox"/>	AMB SERVICE OUTSIDE STATE PER MILE TRAVEL	0.00	0.00	<input checked="" type="checkbox"/>
