Supported Server Operating Systems Windows 7 Professional or Ultimate 32-Bit or 64-Bit Windows 8 Professional or Enterprise 32-Bit or 64-Bit *Windows Server 2003 Enterprise/Standard + All Svc Pks Windows Server 2008 Sp2 or higher 32-bit Windows Server 2008 R2 or 2012 Server 64-Bit Windows Server 2012 32-Bit or 64-Bit	Recommended Server Operating Systems Windows 7 Professional or Ultimate 32-Bit or 64-Bit Windows Server 2008 R2
Minimum Server System Requirements Display Monitor 1024x768 (1280x800 widescreen display) Intel Core 2 Duo 2.0Ghz Processor 20 GB of Storage Space 8 GB of RAM Network Card (NIC): 1Gbps DVD-ROM is required for installation	Recommended Server System Requirements Display Monitor 1024x768 (1280x800 widescreen display) Intel i3 or higher Processor 40 GB of Storage Space 16 GB of RAM Network Card (NIC) 1Gbps DVD-ROM is required for installation

Mobile Devices

iPad with iOS6, iOS7 or iOS8
 iPhone with iOS6, iOS7 or iOS8 (The Patient Intake feature is supported only on the iPad)

- Before installing any newer operating system, service packs or releases, call our technical support department.
- You must meet the minimum system requirements for your operating system. An internet connection is required
- The above requirements are for the Medisoft software only. If you decide to run additional services (for example: DNS or Active Directory) you will need to add additional CPU's and/or RAM.
- *Microsoft Home products, Windows XP, Microsoft Small Business Server, and Windows RT on the ARM processor are not supported. Windows Server 2003 will no longer be supported as of July 2015.
- Medisoft 20 is a 32-Bit application, and on a supported 64-Bit platform, the application will run in a 32-Bit mode.
- Wireless networks or VPN's may be used in conjunction with Terminal Services only.
- Above is for Medisoft Billing software only. Medisoft Clinical users, please call for system requirements.
- We are not responsible for hardware and /or software incompatibilities.

Technical Requirements are subject to change without notice
